Question Number Five

D. EDITING

One such school *has* recently opened to educate fourteen- to eighteen-year-olds who have a special interest in working in the space industry. Students follow a tailor-made *curriculum* at the school, including subjects such as Astronomy and Astrophysics. Lessons are a mixture of small-class *tutorials*, with projects supervised by leading companies in both the space and technology industries.

Guided writing

How to acquire a language

There are many steps that people can follow to acquire a language. For example, they can take online lessons and practise regularly for short amount of times. Listen and reading about what interests you and making connections are two other steps that help people acquire a language
