Question Number One (20 points)

A)Read the following text carefully, then in your ANSWER BOOKLET answer all the questions that follow. Your answer should be based on the text.(17 points)

The King Hussein Cancer Center (KHCC) is Jordan's only comprehensive cancer treatment centre. **It(1)** treats both adult and **pediatric** patients. As the population of the country increases, more and more families will **rely on** the hospital for cancer treatment. Patients come not only from Jordan but also from other countries in the region, as **they(2)** are attracted by **its(1)** excellent **reputation**, lower costs, and cultural and language similarities.

In order to **cope with** the increase in demand for treatment, the KHCC has begun an expansion programme. Building started in 2011 CE. The hospital will have more than doubled **its(1)** capacity by 2016 CE, increasing space for new cancer cases from 3,500 per year to 9,000.

By **then(3)**, **they(1)** will have added 182 extra beds, along with bigger units for different departments, including radiotherapy. New adult and pediatric **wards** will have opened. Additionally, **they(1)** will have built a special ten-floor **outpatients'** building, with an education centre **which(4)** will include teaching rooms and a library.

Many cancer patients live far away from Amman, **where(5)** the KHCC is located, and the journey to and from the hospital is often difficult. For this reason, there are plans to extend cancer care facilities to other parts of Jordan.
