امتحان الوزارة للفروع المهنية مع الإجابات النموذجية: الدورة الشتوية لعام 2016

**Read the following review of Oliver Twist carefully, and then in your ANSWER BOOKLET answer all the questions that follow. Your answers should be based on the text.**

Oliver Twist is one of Charles Dickens most famous novels and it tells the tale of a young orphan named Oliver. Oliver endures difficult times in 19th-century London, a city full of poverty and crime. The story, like many of Dickens' other novels, paints a vivid picture of life for the working class, especially children, during the industrialization of England.

Because Oliver is kind and timid nature, he is often taken advantage of. One of the novel's most famous lines, 'Please sir, I want some more,' is said when Oliver is persuaded by the other boys in the workhouse to ask for another bowl of soup at dinner time. This is unheard of in the workhouse and Oliver is punished for saying it.

Oliver Twist is a story with many different characters, so it can sometimes get confusing because you have to **keep track of** so many people. Dickens describes the characters very well, and this helps the reader to keep a vivid picture of each character in their mind.

My favourite character is Mr Brownlow, a kind and generous man, who tries to protect Oliver from the life of poverty and crime that seems inevitable for him. After Oliver is wrongly accused of a robbery, it is Mr Brownlow who believes he is telling the truth, and saves him.

My only complaint was the pace of the book: at the beginning it progresses quite slowly and then suddenly seems to speed up, leading to confusion at the end. However, none of these things alter **my** opinion that it is a very fine novel, and it is not difficult to see why it has such a special place in English literature.
