

### Paragraph revision

Read the text then answer the question:

The first at my school was probably the worst day of my life , my parents forced me to attend a school 45 minutes away from my home Out of a big class of incoming students ,I knew no one .not a single person . I not had to make a new friend at school since the first grade .

I entered school that first day with a massive load on my shoulders .I was determined to show my parent what a serious decision they had made I was really very depressed

1- briefly discuss the problem mentioned in the first paragraph

.....  
.....

1- what dose the writer mean by (incoming students)?

.....

2- what is the meaning of the underlined words ?

.....  
.....
