Read the following text carefully, and then in your ANSWER BOOKLET answer all the questions that follow. Your answers should be based on the text.

It is said that the best way to acquire a language is to immerse yourself in it, and that's what we offer at *Extreme English*: total immersion.

You have to determine two things before attending such a course; the duration of the course you wish to attend and the nature of the course whether academic or vocational.

After joining the course, you will stay in one of our beautiful apartments. You'll hear and speak English all day long. You can either join a small group of other students of a similar level, or request a 'tailor-made' course. For example, you may require a course in academic English to prepare you for undergraduate or postgraduate studies, or a vocational course to help you with your career. Either way, you will live and work together as a family.

In the mornings, after breakfast, one or more of our trained and experienced teachers will arrive, and you will have three hours of intensive tuition. Then, after enjoying lunch together around the table, you'll visit local places of interest, go shopping, take part in sports, etc. In the evenings, there will be a choice of cultural activities, for example the theatre or a concert, or you may prefer to relax at home and chat (in English, naturally!). Whatever you do, your teachers will be with you, acting as guides, tutors and friends.
