

امتحان مقترح للغة الإنجليزية للمستوى الثالث والرابع لجميع الفروع الأكاديمية على طريقة امتحانات الوزارة الجديدة

# **Question Number One: Comprehension**

Read each of the following texts carefully and answer the question below each of them. Your answer must be based on the information in the text.

1- Many people are excited about the 'Internet of Things'. For them, a dream is coming true. They say that our lives will be easier and more comfortable. However, others are not so sure. They want to keep control of their own lives and their own things. In addition, they wonder what would happen if criminals managed to access their passwords and security settings. The dream could easily become a nightmare!

- a- says what he thinks
- b- stands with the first opinion
- c- gives two different opinions
- d- stands with the second opinion
- 2- One doctor said, "I will always turn to conventional medical treatment first to ensure that no underlying condition is missed. However, the idea of complementary treatments is no longer an alien concept. In my opinion, <u>it</u> should work alongside modern medicine, and not against it."

## The underlined pronoun "it" refers to:

- a- Underlying condition
- b- Conventional medical treatment
- c- The idea of complementary treatments
- d- Complementary treatments

3- Health conditions in Jordan are among the best in the Middle East. This is largely due to the country's commitment to making healthcare for all a top priority. Advances in education, economic conditions, sanitation, clean water, diet and housing have made our community healthier.

Find a word in the text which means "a promise to do something"				
a- Commitment	b- Sanitation	c- Priority	d- Due to	

4- The king Hussein Cancer Center (KHCC) is Jordan's only comprehensive cancer treatment center. It treats both adult and paediatric patients. As the population of the country increases, more and more families will <u>have trust</u> <u>or confidence in</u> the hospital for cancer treatment.

## The phrasal verb which replaces the underlined words is:

a-	Cope with	b-	Settle down
C-	Fill in	d-	Rely on

5- Energy will be provided by solar power and wind farms, and there are also plans to build the world's largest hydrogen plant. A desalination plant will be used to provide the city's water, with 80% of water used being recycled. Biological waste will be used as an energy source too, and industrial waste will be recycled.

# The text mentions the things which could be recycled. These things are:

- a- 80% of water used only
- b- Industrial waste only
- c- All biological waste
- d- Water and industrial waste

6- Studio schools are pioneering schools which receive funding as well as support from private businesses, and which seek to encourage young people to undertake a less conventional form of secondary education. These schools often specialise in one specific area, whilst understanding that the same broad range of skills and qualifications should be made available to all young people.

## The main objective of space schools is to:

- a- receive fund and support
- b- change the form of education into a less conventional one
- c- provide students with funds
- d- teach private businesses
- 7- The contradictory views of the study suggest that the number and length of school days is not the only factor in determining whether students will succeed at school or not.

The students' academic achievement and the process of teaching and learning on the whole is affected by different factors rather than the time students spend at school.

a- True

b- False

8- Finally, learning a foreign language can also improve your ability to use your mother tongue more effectively. As you become more aware of the way that a language works, you begin to apply <u>it</u> to the language that you use every day.

- a- A foreign language
- b- Your mother tongue
- c- A foreign language and your mother tongue
- d- The way that a language works

9- Despite the high cost, most students choose to study away from home. A recent survey of 17,000 students revealed that only 7% wanted to stay at home while they studied for their degree. Of course for most young people, living away from home means borrowing even more money from the government. So why don't students choose to avoid debt by staying at home, where they don't have to pay rent? Most of them say that they want to move to the university of their choice, rather than the nearest one.Another strong motive is the desire to live in a new culture.

# One of the reasons which encourages most students to study away from home is:

- a- to borrow more money from the government
- b- to avoid debt
- c- not to pay rent
- d- to live in a new culture
