

READING :For questions (1-12) Read the following text carefully, and then choose the correct answer from A,B,C or D to complete the sentence below each text.

1)Everyone knows that the Internet connects people, but now it does more than that – it connects objects, too. These days, computers often communicate with each other; for example, your TV automatically downloads your favourite TV show, or your ‘sat nav’ system tells you where you are. This is known as the ‘Internet of Things’, and there is a lot more to come.

-The "Internet of Things" means -----.

- a)the connections between different people
- b) the connections between different computers
- c) the connections between different sat nav systems
- d) the connections between different televisions

2)However, complementary medicine cannot be used for all medical treatments. It can never substitute for immunizations as it will not produce the antibodies needed to protect against childhood diseases. It also cannot be used to protect against malaria. One doctor said, "I will always turn to conventional medical treatment first to ensure that no underlying condition is missed.

-The medical condition that can't be treated by complementary medicine is ----.

- a)arthritis
- b) malaria
- c) allergies
- d) insomnia

3)A new cancer drug is being trialled in Plymouth, UK, which doctors hope will extend the lives of cancer patients and reduce their symptoms overnight. It is taken as a single pill every morning, and so far patients have shown none of the usual side effects such as the sickness and hair loss that are experienced when undergoing other forms of cancer treatment.

-The two side effects which appear when patients undergo the usual cancer treatment are -----.

- a) dementia and sickness
- b) injuries and hair loss
- c) dementia and a stroke
- d) sickness and hair loss

4)Students follow a tailor-made curriculum at the school, including subjects such as Astronomy and Astrophysics. Lessons are a mixture of small-class tutorials, with projects supervised by leading companies in both the space and technology industries. Prominent scientists and engineers are brought in as guest lecturers.

-The two special subjects offered by space schools are -----.

- a)Maths and Science
- b)Science and Technology
- c)Astronomy and Astrophysics
- d)Science and Astronomy

5) Do you know whether it's best to get up early, or to revise late at night?

The earlier you start in the morning, the more beneficial your revision will be, because that's when you feel most awake and your memory is at its best. I'd also recommend studying for 30-minute periods, and then taking a break. It's been proved that concentration starts to decrease after half an hour, so frequent breaks will help the brain to recover and concentration to return.

-The thing that will help the brain to recover and concentration to return is

- a) revising late at night
- b) revising early in the morning
- c) frequent breaks
- d) physical activity

6) Can you tell us about your last meeting in China?

Of course! I arrived on time. You must not arrive late, as this shows disrespect. Then, when I met the company director, I shook hands with him gently. I began the meeting by making small talk about my interesting experiences in China. During the meeting, I made sure that my voice and body language were calm and controlled. I never told a joke, as this may not be translated correctly or could cause offence.'

-Mr. Ghanem never told a joke during the last meeting in china because -----.

- a) this may show respect
- b) this could cause offence
- c) this may be translated correctly
- d) this may show sadness

7) Now let's look at imports. Unlike some other countries in the Middle East, Jordan does not have large oil or gas reserves. For that reason, Jordan has to import oil and gas for its energy needs. Its other main imports are cars, medicines and wheat. In 2013 CE, 23.6% of Jordan's imports were from Saudi Arabia. This was followed by the EU, with 17.6% of its imports. Other imports have come from China and the United States.

-Jordan's imports come from -----.

- a) Saudi Arabia ,EU, China and the USA
- b) Saudi Arabia and Iraq and the USA
- c) Iraq and India , EU and Morocco
- d) EU, India , Egypt and Malaysia

8) Keep your presentation short and simple. Start with some friendly comments. For example, thank your hosts for allowing you to speak to **them**, and compliment their **company**. Remember to speak slowly and clearly. It is important to appear confident (even if you're nervous!)

-The underlined word (them) in the text refers to -----.

- a) comments
- b) hosts
- c) presentation
- d) questions

9) In 1971 CE, the floppy disk was invented, which meant that information could be shared between computers. The first PC (personal computer) was produced in 1974 CE, so people could buy computers to use at home. In 1983 CE, people could buy a laptop for the first time. Then, in 1990 CE, the British scientist Tim Berners-Lee developed the World Wide Web.

-The purpose of inventing the floppy disk was to -----

- a) research information
- b) share information between computers
- d) show photos in front of the class
- d) to send information to anyone you want

10) Then, in a study that had followed more than 6,000 men and women aged 25 to 74 for 20 years, researchers found that positivity reduced the risk of heart disease. Other factors influencing health included a supportive network of family and friends, and an optimistic outlook on life. The research showed that children who were more able to stay focused on a task, and who had a more positive attitude to life at age seven, were usually in better health 30 years later

-The factor that was found to reduce the risk of heart disease is -----.

- a) positivity b) negativity c) anger d) smoking

11) Many cancer patients live far away from Amman, where the KHCC is located, and the journey to and from the hospital is often difficult. For **this** reason, there are plans to extend cancer care facilities to other parts of Jordan. In the near future, King Abdullah University Hospital in Irbid hopes to set up radiotherapy machines, so that cancer patients from northern Jordan will not have to go to Amman for radiotherapy treatment

-The disadvantage of the KHCC for patients who live far from Amman is ---

- a) the journey to and from the hospital is often difficult.
b) the lack of radiotherapy machines.
c) the cancer patients who live in Irbid are old
d) the journey to and from the hospital is often expensive

12) In England, almost 50% of school leavers go on to higher education. The figure has not always been as high as this. Twenty years ago, it was closer to 30%, and thirty years before that, it was only about 5%. Another huge change has been financial. Before 1998 CE, higher education in the UK was completely free for UK citizens. Since then, tuition fees have been introduced. Most students borrow this money from the government.

-The sentence which explains how students are able to afford to leave home is -----

- a) most students borrow this money from the government
b) instead, they pay **it** back slowly out of future earnings
c) since then, tuition fees have been introduced
d) In England, almost 50% of school leavers go on to higher education.

VOCABULARY: For questions (13 – 25) , choose the correct answer from A,B,C, or D to complete each of the following sentences.

13) I need to make a few ----- before I decided how much to spend.

- a) programs b) models c) calculations d) inventions

14) Thousands of people fall victims to electronic ----- each year.

- a) identity fraud b) programs c) email exchanges d) privacy settings

15) Nobody goes to the new private sports club. The building is a **white elephant** .

-The underlined color idiom in the sentences above means -----.

- a) permission b) unexpectedly c) useless possession d) angry

16) Headaches and colds are common -----, especially in winter.

- a) allergies b) immunizations c) antibodies d) ailments

- 17) You can wear your watch when you go swimming if it's -----.
- a) tiny b) artificial c) waterproof d) cancerous
- 18) My grandfather has to take a lot of medicine –he takes six different ----- every day.
- a) symptoms b) pills c) medical trials d) antibodies
- 19) We learn about shapes, lines and angles when we study -----
- a) geometry b) arithmetic c) philosophy d) chemistry
- 20) My friend has -----in his fingers , so he sometimes finds it difficult to write.
- a- arthritis b- malaria c- migraine d- ailment
- 21) By working hard, you will ----- the respect of your boss.
- a- cause b- shake c- join d- earn
- 22) My father bought our house with an ----- from his grandfather.

- a-commit b-committed c-commitment d-committing
- 25) A number of patients have been ----- treated with the new drug.
- a) succeed b- successfully c- success d- successful

GRAMMAR : For questions (26 – 44), choose the correct answer from A,B,C or D.

- 26) My parents always ----- me how to bounce back after a setback.
- a) teach b- was being taught c- would teach d- are taught
- 27) At least, two of my books ----- into French every year.
- a-had translated b- has been translated c- will be translated d- are translated
- 28) By the time the bus arrived we ----- for an hour .
- a) have been waiting b) are waiting c) had been waiting d) wait
- 29) This time next month, my parents -----married for twenty years.
- a) have been b) will have been c) has been d) will be
- 30) What will you ----- in ten years' time?
- a-have done b- do c- be doing d- be done
- 31) This evening, the committee members -----the latest critical issues
- a) will discuss b) was going to discuss c) discusses , d) are going to discuss
- 32) "I was typing the final report."
- The correct reported speech of the sentence above is :**
- a-Salwa said that she is typing the final report.
- b-Salwa said that she was typing the final report.
- c-Salwa said that she had been typing the final report.
- d-Salwa said that she has been typing the final report.
- 33) I think you should study Biology.
- The sentence that has a similar meaning to the one above is:**
- a-If I were you , I would study Biology b-If I were you , I wouldn't study Biology
- c- If I were you , I should study Biology d- If I were you , I will study Biology

34) It is normal for my friend to drive a fast car.

-The sentence that has a similar meaning to the one above is:

- a- My friend isn't used to driving a fast car. b- My friend didn't use to drive a fast car.
c- My friend is used to driving a fast car. d- My friend used to drive a fast car.

35) Jabir ibn Hayyan did his research in a laboratory in Iraq.

-The country-----

- a) where Jabir ibn Hayyan did his research in a laboratory was in Iraq.
b) which Jabir ibn Hayyan did his research in a laboratory was in Iraq.
c) where Jabir ibn Hayyan did his research in a laboratory was Iraq.
d) where was Jabir ibn Hayyan did his research in a laboratory in Iraq.

36) Walking isn't as strenuous as running. **This means -----**

- a) Walking is less strenuous than running b) Walking is more strenuous than running
c) Walking is the most strenuous. d) Walking is as strenuous as running

37) Did he tell the children where to put the keys?

-The correct indirect question of the one above is :

- a) Could you tell me If he tells the children where to put the keys?
b) Could you tell me If he tell the children where to put the keys?
c) Could you tell me If he told the children where to put the keys?
d) Could you tell me If told he the children where to put the keys?

38) Experts have proved that exercise improves blood circulation

-The sentence that has a similar meaning to the one above is:

- a- Exercise has been proved to improves blood circulation
b- Exercise was proved to improve blood circulation
c- Exercise has been proved to improve blood circulation
d- Exercise hasn't been proved to improve blood circulation

39) Marwan didn't consult his father , so he felt sorry.

-The sentence that has a similar meaning to the one above is :

- a- Marwan wishes he had consulted his father .
b- Marwan wishes he has consulted his father.
c- Marwan wishes he hadn't consulted his father
d- Marwan wishes he didn't consult his father.

- 46)D
- 47)D
- 48)D
- 49)D
- 50)A

Hani Gazaz

Read the following texts carefully, and then in your ANSWER BOOKLET answer all the questions that follow. Your answer should be based on the article.

- 1) In the 1940s, technology had develop enough for inventors to make the first generation of modern computers. One such model was so large that it needed a room that was 167 square metres to accommodate it. During that decade, scientists in England developed the first computer program. It took 25 minutes to complete one calculation.

-The sentence which shows that the first modern computers were very large is ---.

- a) One such model was so large that it needed a room that was 167 square metres to accommodate it
 b) During that decade, scientists in England developed the first computer program.
 c) It took 25 minutes to complete one calculation
 d) It took 25 minutes to complete one calculation

Hani Gazaz

- 2) As a consequence, computers will increasingly run our lives for us. For example, your fridge will know when you need more milk and add it to your online shopping list; your windows will close if it is likely to rain; your watch will record your heart rate and email your doctor; and your sofa will tell you when you need to stand up and get some exercise.

-The object that will help people to keep fit is the -----.

- a) doctor b) fridge c) window d) sofa

- 3) It is normal to **feel a bit blue** from time to time. However, studies show that negative emotions can harm the body .Anger can also have harmful effects on health. When you see red, your blood pressure is raised and you can suffer from headaches, sleep problems and digestive problems. However, what about positive feelings and attitudes? Until recently, scientists

-The feeling that the underlined idiom in the text refers to is -----.

- a) anger b) sadness c) happiness d) anxiety

- 4) The Sheikh has taken a special interest in the boy, and hopes the tour that he is sponsoring for Adeeb will give the young inventor more self-confidence and inspire other young Emirati inventors. Adeeb got the idea for a special kind of prosthetic leg while he was at the beach with his family. His father, who wears an artificial leg, could not swim in the sea as he could not risk getting his leg wet. This inspired Adeeb to invent a waterproof prosthetic leg.

-Sheikh Hamdan offered Adeeb the gift of a world tour to -----.

- a) give him more self-confidence and encourage other young inventors from the UAE
 b) help him travel to France and give him more self-confidence

- c) help him attend a course on prosthetics and inspire other young inventors
- d) enable him invent a heart monitor and help him travel to France

5) The new hand, which was developed by Swiss and Italian scientists, was a huge improvement. With it, Sorensen could not only pick up and manipulate objects, but he could also feel them. 'When I held an object, I could feel if **it** was soft or hard, round or square,' he explained. He said that the sensations were almost the same as the ones he felt with his other hand.

-The new invented hand was invented by -----.

- a) British and Swiss scientists
- b) German and Italian scientists
- c) Swiss and Italian scientists
- d) Italian and German scientists

6) The Arab world has many famous chemists in its history, but the person who is known as the founder of chemistry is probably Jabir ibn Hayyan. He is most well known for the beginning of the production of sulphuric acid. He also built a set of scales which changed the way in which chemists weighed items in a laboratory: his scales could weigh items over 6,000 times smaller than a kilogram.

-Jabir ibn Hayyan is most famous for the -----.

- a) foundation of chemistry
- b) beginning of the production of sulphuric acid
- c) establishment of a set of scales
- d) the way in which chemists weighed items

7) Megaprojects are extremely large investment projects, which are designed to encourage economic growth and bring new benefits to cities. Although megaprojects vary in terms of size and cost, they are all, by definition, expensive, public projects that attract a high level of interest and media coverage.

-The two benefits of creating megaprojects are -----.

- a) encouraging economic growth and bringing new benefits to cities
- b) reducing pollution and preventing the environment
- c) finding solutions to the world's energy problems and recycling industrial waste
- d) bringing new benefits to cities and operate as public transport vehicles

8) What impressed me most about students in Jordan was their behaviour and their attitude to studying. All the students who I met appreciated the importance of their university education and the opportunities **it** would give them to contribute to their country's prosperity. They also showed extremely positive values. Everybody was honest and people discussed problems rather than getting angry if they disagreed with each other.

-What impressed Anita about her fellow students at the University are -----.

- a) their money and clothes
- b) their behaviour and their attitude to studying
- c) their hospitality and culture
- d) their positive feelings and honesty

Hani Gazaz

9) When did you learn how to be successful in China?

Mr. Ghanem :I joined a larger company and they sent me on a cultural awareness course. On my next visit China, it felt as if I hadn't anything on my first visit!

What advice can you give to people wanting to do business in China?

'Before I visit a company, I send recommendations from previous clients. I also send my business card with my job position and qualifications translated into Chinese.'

-What made Mr. Ghanem to be successful on his second trip to china was -----.

- a)joining a large company and attending a course on cultural a awareness.
- b) sending recommendations and joining a computer company
- c)translating his qualifications into Chinese and sending his business card.
- d) advising businessmen and learning Chinese language

10) According to a study carried out by Pennsylvania State University, USA, multilingual people are able to switch between two systems of speech, writing, and structure quite easily. It has been proved that **they** are also able to switch easily between completely different tasks. One experiment required participants to operate a driving simulator while carrying out separate tasks at the same time.

-The underlined word (they) in the text refers to ----- .

- a)systems of speech
- b) different tasks
- c) participants
- d) multilingual people

11) The three universities with the most undergraduates are the University of Jordan in Amman, Yarmouk University in Irbid and Al Balqa Applied University in Salt. These are all public universities. An example of a newer university is the German-Jordanian University in Amman, which was set up in 2005 CE. It is a collaboration between the MOHE and Germany's Federal Ministry of Education and Research, and it follows Germany's model of education in Applied Sciences.

-The three public universities in Jordan stated by the text are -----.

- a)Al-Hussein University , University of Jordan and Yarmouk University
- b)Al Balqa Applied University , University of Jordan and Yarmouk University
- c)University of Jordan , Yarmouk University and Zarqa University
- d)Al Balqa Applied , University of Jordan and Al-Hussein University

12) One doctor said, "I now consider homoeopathy to be a viable option for many different conditions, including anxiety, depression and certain allergies. **It** provides another option when conventional medicine does not address the problem adequately. However, complementary medicine cannot be used for all medical treatments. It can never substitute for immunizations as it will not produce the antibodies needed to protect against childhood diseases. It also cannot be used to protect against malaria

-The certain medical conditions that may possibly be treated using complementary medicine are -----.

- a) immunisation ,malaria and depression
- b) anxiety, immunisation and allergies
- c) colds, allergies and malaria
- d) anxiety, depression and certain allergies

VOCABULARY: For questions (13 – 25) , choose the correct answer from A,B,C, or D to complete each of the following sentences.

- 13) Most sites have ----- so that only certain people can look at your site.
a) privacy settings b) filters c) floppy disks d) calculations
- 14- Mobile phones used to be huge. Early -----were as big as bricks.
a) calculations b) models c) programs d) security settings
- 15- After Ali's accident, he lay in **an unconscious state** for two weeks.
- **The underlined phrase in the above sentence means -----.**
a) a drug b) a coma c) apparatus d) a stroke
- 16- Another way of saying that something could be successful is to say it is -----.
a) sceptical b) conventional c) alien d) viable
- 17- Ramzi is very good with numbers and calculations. He always scores high in -----
a) physics b) medicine c) arithmetic d) geometry
- 18- Language -----is important for anyone who wants to travel or work
a) prospects b) linguistics c) fees d) proficiency
- 19- Adnan never forgets anything! He has got an amazing -----.
a) concentration b) circulation c) memory d) dehydration

READING :For questions (1-12) Read the following text carefully, and then choose the correct answer from A,B,C or D to complete the sentence below each text.

- 1) What will happen in the future? You can already buy watches which can do the same as mobile phones. Scientists have also developed glasses that are capable of doing even more than this. Life in the future is going to see further changes in computer technology. It is likely that all aspects of everyday life will rely on a computer program, from how we travel to how our homes are heated.
- The two aspects of everyday life that will depend on technology in the future are**
- a)how we travel and how our homes are heated
b)how we develop glasses and how we travel
c)how we wear our watches and how our glasses are developed
d)how our homes are heated and how our watches are developed .
- 2) When you are using a computer, think about the technology that is needed for **it** to work. People have been using types of computers for thousands of years. A metal machine was found on the seabed in Greece that was more than 2,000 years old. It is believed that **this** was the first ever computer. In the 1940s, technology had develop enough for inventors to make the first generation of modern computers.
- The underlined word (this) refers to -----**
- a)technology b) a metal machine c generation d seabed
- 3) The new treatment works by blocking a protein which causes cancerous cells to grow. It will improve patients' life expectancy and quality of life much more quickly than any other treatment. The patients were interviewed a year after starting the treatment and are fit and well, saying that they are definitely going to continue the trial. They have every reason to believe the new drug is going to work. Doctors at Plymouth Hospital hope that it will help patients from all over the world.
- The sentence which explains how the new cancer drug works is -----**
- a)Doctors at Plymouth Hospital hope that it will help patients from all over the world.
b)The new treatment works by blocking a protein which causes cancerous cells to grow
c)It will improve patients' life expectancy and quality of life much more quickly than any other treatment
d)The patients were interviewed a year after starting the treatment and are fit and well

4) The influence of Ibn Bassal's book was enormous. As farmers down the generations followed his instructions and advice, the land became wonderfully fertile and produced more than enough food for the fast-growing population. The irrigation systems that he and his followers put in place are still in evidence in Spain. Although his name is not widely known, Ibn Bassal's legacy to the world has been great.

-The word which means (what someone leaves to the world after their death) in the text is -----

- a) legacy b) advice c) population d) influence

5) In the mornings, after breakfast, one or more of our trained and experienced teachers will arrive, and you will have three hours of intensive tuition. Then, after enjoying lunch together around the table, you'll visit local places of interest, go shopping, take part in sports, etc. In the evenings, there will be a choice of cultural activities, for example the theatre or a concert, or you may prefer to relax at home and chat (in English, naturally!). Whatever you do, your teachers will be with you, acting as guides, tutors and friends.

-In the evenings, students at Extreme English can -----.

- a) visit local places of interest, go shopping
b) take part in sports and enjoy lunch together
c) go to theatre, a concert or chat in English
d) chat in English and visit local places

6) At a surgery in London, 70 per cent of patients who were offered the choice between a herbal or a conventional medicine for common complaints such as insomnia, arthritis and migraines chose the herbal remedy. Fifty per cent of patients then said that the treatment helped. One doctor said, "I now consider homoeopathy to be a viable option for many different conditions, including anxiety, depression and certain allergies. **It** provides another option when conventional medicine does not address the problem adequately.

-At the surgery mentioned in the text, the majority of patients found that the herbal remedy was -----

- a) useless b) useful c) expensive d) dangerous

7) Health experts have been warning about this trend for years, and their advice is clear. Adults should aim to exercise for at least two and a half hours every week; for children and teenagers the target should be at least an hour a day. This might not sound very much. However, recent research shows that less than 50% of the British population manages this. School children are less physically active than they used to be. Girls in particular often dislike PE

-The minimum amount of exercise recommended for teenagers is -----

- a) less than 60 minutes every week b) less than an hour a day
c) at least 60 minutes every day d) at least an hour every week

8) In order to cope with the increase in demand for treatment, the KHCC has begun an expansion programme. Building started in 2011 CE. The hospital will have more than doubled its capacity by 2016 CE, increasing space for new cancer cases from 3,500 per year to 9,000. By then, they will have added 182 extra beds, along with bigger units for different departments, including radiotherapy.

-The reason why the hospital needs to expand is to -----.

- a) help patients who live far away from Amman
- b) cope with the increase in demand for treatment
- c) serve patients from other countries
- d) treat both adults and pediatric patients

9) Scientists have successfully invented a prosthetic hand with a sense of touch. It is an exciting new invention, which they plan to develop. It is possible that, in the not-too-distant future, similar artificial arms and legs will have taken the place of today's prosthetic limbs. Dennis Sorensen, a 39-year-old from Denmark, was the first person to try out the new invention.

-What makes the new prosthetic hand special is -----

- a) being an artificial hand
- b) being an exciting new invention
- c) having a sense of touch
- d) having no sense of touch

10) According to a study by the organization for Economic Co-operation and Development (OECD), students in Japan, Indonesia and South Korea spend the most time studying in the world. They want to learn as much as they can to ensure excellent exam grades. They go to school for about nine hours, although this includes optional after-school tuition and activities. They also spend about three hours on homework every day, which is three times as much as many other countries.

-The students who do more homework on average are students of -----

- a) the USA, Japan and Indonesia
- b) Japan, Indonesia and South Korea
- c) Jordan, Japan and the USA
- d) Finland, the UK and Indonesia

11) Why was it not successful?

I worked for a small computer company in Amman. They sent me to China when I was quite young. If only the company had realized that the Chinese respect age and experience more than youth!

-Mr. Ghanem's first trip to China was not successful because he -----.

- a) was very rich
- b) showed respect to age and experience
- c) was too young
- d) worked for a large company

12) First, let's look at exports. Jordan is rich in potash and phosphate, and the extraction industry for these minerals is one of the largest in the world. Not surprisingly, two of Jordan's largest exports are chemicals and fertilisers. Pharmaceuticals and other industries represent 30% of Jordan's Gross Domestic Product (GDP), and 75% of Jordan's pharmaceuticals are exported

-Many of Jordan's fertilisers are made from -----.

- a) pharmaceuticals and phosphate
- b) phosphate and tourism

c) potash and phosphate

d) soil and iron

VOCABULARY: For questions (13 – 25) , choose the correct answer from A,B,C, or D to complete each of the following sentences.

- 13) Information can be ----- between computers by the floppy disk .
a)shared b)posted c)contributed d) monitored
- 14) Marwan enjoys using the ----- because it is small, light and portable.

THE HASHWITE KINGDOM JORDAN 26 / 12/ 2020
 MINISTRY OF EDUCATION
 GENERAL SECONDARY CERTIFICATE EXAMINATION

GENERAL ENGLISH

Read the following texts carefully, and then in your ANSWER BOOKLET answer all the questions that follow. Your answer should be based on the article.

- 1) In the 1940s, technology had develop enough for inventors to make the first generation of modern computers. One such model was so large that it needed a room that was 167 square metres to accommodate it. During that decade, scientists in England developed the first computer program.

-The first computer program was produced in the-----.

- a) 1970s b) 1960s c)1940s d)1950s

- 2) As a result of careful planning, the number of healthcare services has been increasing rapidly over the past years. More than 800 different kinds of healthcare centres have been built as well as 188 dental clinics. In 2012 CE, 98 per cent of Jordanian children were fully immunised, thanks to immunisation teams that had been working towards this goal for several years.

-The aim that the immunisation teams had been working towards for several years is -----.

- a)building more than 800 different kinds of healthcare centres
 b)building 188 dental clinics
 c)increasing the number of healthcare services
 d)immunising the maximum number of Jordanian children

Hani

- 3) However, recent research shows that less than 50% of the British population manages this. School children are less physically active than they used to be. Girls in particular often dislike PE. This can lead to serious health problems

-Recent research shows that ----- of British people do not get enough exercise.

- a)half b) more than half c) less than half d) nearly half

- 4) Health conditions in Jordan are among the best in the Middle East. **This** is largely due to the country's commitment to making healthcare for all a top priority. Advances in education, economic conditions, sanitation, clean water, diet and housing have made our community healthier.

-Health conditions in Jordan are among the best in the Middle East because of---

- a)the country's obligation to making healthcare for all a main concern
 b)the reputation of Jordanian doctors
 c)the careful planning.

d)the large number of healthcare services.

5) In 2010 CE, neuroscientists confirmed that it was possible to communicate with some patients in a coma, by using a special brain scanner called an MRI. They suggested that, in the future, more meaningful dialogue with patients in a coma would be possible. Two years later, it has finally happened.

- **Doctors were able to communicate with some patients in coma for the first time in -----.**

a) 2010

b) 2012

c) 2014

d)2016

6) In Finland, however, students are usually given less than half an hour of homework per night, and they attend school for fewer and shorter days than 85% of other developed nations. Despite this, they achieve top marks In subjects like Maths and Science. In addition, most students also speak at least two, and often three, languages fluently.

-**The interesting fact about Finland's fewer and shorter school days is that ---**

a) students often speak more than four languages fluently

b) students often speak less than three languages fluently

c) students often speak two languages fluently

d) students often speak more than two languages fluently

7) In England, almost 50% of school leavers go on to higher education. The figure has not always been as high as this. Twenty years ago, it was closer to 30%, and thirty years before that, it was only about 5%. Another huge change has been financial. Before 1998 CE, higher education in the UK was completely free for UK citizens.

-**The number of school leavers who go to university in England has greatly increased over 50 years by-----.**

a)ten times

b) fifty times

c) five times

d) three times

8) Do you mind telling me how I should draw up a timetable?

Look at all the subjects you have to do, and work out when you are going to work on each one. It's a good idea to change the order of the subjects in your timetable for each day. Try doing a little English, followed by some Maths, then Biology, and so on. This way, by changing the focus of your revision, you keep your mind fresh.

-**The benefit of changing the order of the subjects in one's timetable daily is—**

a)keeping the mind fresh

b)increasing the blood circulation

c)keeping him a wake

d)keeping the memory at its best

9) Can you tell us about your last meeting in China?

Of course! I arrived on time. You must not arrive late, as this shows disrespect. Then, when I met the company director, I shook hands with him gently. I began the meeting by making small talk about my interesting experiences in China. During the meeting, I made sure that my voice and body language were calm and controlled. I never told a joke, as this may not be translated correctly or could cause offence.

-The behavior that shows disrespect to Chinese business people is -----.

- a) arriving meetings on time b) arriving meetings late
c) shaking hands gently d) controlling body language

10) Now let's look at imports. Unlike some other countries in the Middle East, Jordan does not have large oil or gas reserves. For that reason, Jordan has to import oil and gas for its energy needs. Its other main imports are cars, medicines and wheat. In 2013 CE, 23.6% of Jordan's imports were from Saudi Arabia. This was followed by the EU, with 17.6% of its imports. Other imports have come from China and the United States.

-The country that supplies Jordan with most of its imports is -----.

- a) China b) United States c) Saudi Arabia d) India

Hani

11) Fatima al-Fihri was the daughter of a wealthy businessman. She used her father's inheritance to build a learning centre in Fez, Morocco. This learning centre became Morocco's top university, and it is where many students from all over the world come to study. Moreover, it was Fatima's sister, Mariam, who supervised the building of the Andalus Mosque, which was not far from the learning centre.

-The underlined word (who) in the text refers to -----.

- a) Fatima's father b) Fatima c) Mariam d) Andalus Mosque

12) Do you know whether it's best to get up early, or to revise late at night?

The earlier you start in the morning, the more beneficial your revision will be, because that's when you feel most awake and your memory is at its best. I'd also recommend studying for 30-minute periods, and then taking a break.

- The word which means (someone's ability to remember things) in the text is

- a) revision b) activity c) memory d) concentration

VOCABULARY: For questions (13 – 25) , choose the correct answer from A,B,C, or D to complete each of the following sentences.

13) students can use their tablets to ----- diagrams and research information.

- a) contribute b) record c) create d) monitor

 a)revision b)revise c)revised d)revising
- 25) Congratulation on a very -----business deal.
 a)succeed b) successful c)success d)successfully

GRAMMAR : For questions (26 – 44), choose the correct answer from A,B,C or D.

- 26) According to Anita's schedule , she ----- her relatives in Madaba.
 a)visits b)would visit c) is going to visit d)was going to visit
- 27) The Olympic Games often ----- young people to take up a sport.
 a)are inspired b)inspire c)would inspire d)will inspire
- 28) Health experts ----- about the harmful effects of fast food for years
 a) are warning b)have been warning c) has been warned d)warn
- 29) Sami looks tired because he ----- for half an hour .
 a) had been running b) has been running c) ran d) will have run
- 30) It's three o'clock now, so Miriam's flight----- at Queen Alia International airport.
 a) will have arrived b) has been arriving c) would arrive d) arrived
- 31) By the end of this year , we ----- here for ten years.
 a) will have lived b)had been living c) will be living d) will live
- 32) Perhaps Issa's phone is broken
-The sentence that has a similar meaning to the one above is:
 a)Issa's phone is broken b) Issa's phone might be broken
 c)Issa's phone must be broken d) Issa's phone was broken
- 33) It started raining at 5 a.m..It's 10 a.m., and it is still raining.

-The sentence that has a similar meaning to the one above is

- a) It is raining since 5 a.m. b) It had been raining since 5 a.m. .
c) it has been raining since 5 a. m. d) It was raining since 5 a.m. .

34) It isn't normal for my friend to play chess every weekend.

-The sentence that has a similar meaning to the one above is:

- a) My friend is used to playing chess every weekend.
b) My friend didn't use to play chess every weekend.
c) My friend isn't use to playing chess every weekend.
d) My friend isn't used to playing chess every weekend.

35) Al-Kindi is especially famous for **his work in geometry**.

- The correct cleft sentence that emphasizes the information in bold in the above sentence is -----.

- a) It is Al-Kindi who is specially famous for his work in geometry.
b) It is for his work of geometry which Al-Kindi is especially famous .
c) It was for his work of geometry which Al-Kindi is especially famous .
d) It is for his work of geometry who Al-Kindi is especially famous .

36) The cheapest thing on the menu is orange juice.

-The sentence that has a similar meaning to the one above is:

- a) the expensive thing on the menu is orange juice
b) the most expensive thing on the menu is orange juice
c) the least expensive thing on the menu is orange juice
d) least expensive thing on the menu is orange juice

37) Can you suggest a healthy breakfast?

-The correct indirect question of the one above is :

- a) Would you mind suggesting a healthy breakfast
b) Would you mind suggested a healthy breakfast
c) Would you mind if you can suggest a healthy breakfast
d) Would you mind if can you suggest a healthy breakfast

38) Sultan forgot to do his Science homework

-The sentence that has a similar meaning to the one above is :

- a) If only Sultan doesn't forgot to do his Science homework.
b) If only Sultan didn't forget to do his Science homework.
c) If only Sultan hadn't forgotten to do his Science homework.
d) If only Sultan had forgotten to do his Science homework.

39) There are not ----- people in our class as in yours .

- a) as much b) much as c) less than d) as many
