Q 1 : Read the following passage then answer the questions :

The impressive dance programme included more than 150 performers from 15 different countries performing traditional dances from around the world. The DVD gives a flavour of all of these. For me, the highlight of the dance events was the ballet performance which ended the festival and the whole of the final act is included on the disc.

Festival organiser Tasha Simms said, The college is lucky to have some very talented dancers among the students and Eva Zemanova, who comes from the Czech Republic, was able to put us in touch with a professional dance company from her country. We were delighted that they came and very pleased for Eva that she had the opportunity to stand in for an injured ballerina and dance with the company on the last night of the festival.
