Reading

Q1: Read the following text paragraph, then answer the questions below: (7 Marks)

“Hello! Welcome to the Halima Al-Sadie Centre! I’m Um Issam. Why did I set up this center? I began collecting traditional objects and clothes 45 years ago because I wanted to save our traditions. 25 years ago, I started my own business. Later, I realized I could also help poor women to start their own businesses.” “People always liked the traditional clothes that I wore. This is how I got the idea to design clothes, accessories, and small bags for mobile phones, small carpets and furniture. I knew how to make traditional handicrafts because I learnt the skills from my mother and grandmother. I watched my mother work from the time I was eight years old. My aim, however, is to protect our tradition.” “I didn’t want to keep my knowledge to myself. So, I decided to give courses on traditional crafts to poor women. The town municipality also helps me by providing all the materials we need.” “I also help disabled people by showing them how to make simple but attractive handmade materials, and we all enjoy spending time together.”
