Teachers can perhaps ask their students to start writing a blog, either about their own lives or as if they were someone famous. They can also create a website for the classroom. Students can contribute to the website, so for example they can post work, photos and messages.

2) The suitable meaning for : to construct a website that currently doesn't exist is :

- A. contribute to website B. create a website C show a website D. blog

In just a few years' time, experts say that billions of machines will be connected to each other and to the Internet .as a consequence , computers will increasingly run our lives for us For example, your fridge will know when you need more milk and add it to your online shopping list; your windows will close if it is likely to rain; your watch will record your heart rate and email your doctor.

www.awa2el.net

3) Different things and machines which will run our life in the future such as :

- A. Watch and pens B. fridge and shopping list C. watch and fridge D. pens and TV

One doctor said, "I will always turn to conventional medical treatment first to ensure that no underlying condition is missed. However, the idea of complementary treatments is no longer an alien concept. In my opinion, it should work alongside modern medicine, and not against it." Arafat Balasmeh

4) The sentence which indicates that complementary medicine should complete conventional one is :

- A. It should work alongside modern medicine, and not against it.
B. In my opinion, it should work alongside modern medicine
C. In my opinion, it should work alongside modern medicine, and not against it.
D. The idea of complementary treatments is no longer an alien concept.

Most doctors used to be sceptical about the validity of homoeopathy, acupuncture and other forms of complementary medicine. If patients wanted to receive this kind of non-conventional treatment, they used to have to consult a private practitioner who was likely not to have a medical degree. Critics used to say that there was no scientific evidence that non-conventional treatments actually worked.

5) The sentence which indicates that most doctors were not convinced with non-conventional treatments is :

- A. Critics used to say that there was no scientific evidence that non-conventional medicine actually worked. Arafat Balasmeh www.awa2el.net
