## Reported Wh-question

### Unit 7

- Indirect reports of wh-questions consist of a reporting clause, and a reported clause beginning with a wh-word (who, what, when, where, why, how).

Ex : what do you want ?

He asked me what I wanted.

- The reported clause is a statement form (subject + verb), not a question form:

Ex : She wanted to know who [S]we [V]had invited to the party.

- Change tense from:

Present simple → past simple

Can't → couldn't

Can → could

- Remove the question mark.

Ex : direct question : 'Where is the bus station?'

Indirect : I asked her where the bus station was.
