**Read the following text carefully, and then in your ANSWER BOOKLET answer all the question that follow. Your answer should be based on the text.**

**TEXT ONE: (10 marks)**

Today, we talk to Mr. Ghanem, a businessman based in Amman who often visits China. We asked him when he first started doing business with China. 'I've been doing business with China for many years. My first trip there was in 2004 CE, and it was not very successful. Why was it not successful? 'I worked for a small computer company in Amman. They sent me to China when I was still quite young. If only the company had realized that the Chinese respect age and experience more than youth!' Did you make any mistakes on that visit? 'Yes! I wish I had researched Chinese culture before I visited the country. In order to be successful in China, you need to earn their respect. Chinese business people will always ask about a company's successes in the past. However, because I worked for new company, I could not talk about its track record. We did not do any business deals on that first trip.' When did you learn how to be successful in China? 'I joined a larger company and they sent me on a cultural awareness course. On my next visit to China, it felt as if I hadn't known anything on my first visit!

**Question Number Three (10 marks)**

- 1- Write down the mistake that Mr. Ghanem made during the first visit to China.
- 2- According to Mr. Ghanem, Chinese business people always ask you about something. Mention it.
- 3- Quote the sentence that shows that the first trip for Mr. Ghanem to China was not successful.
- 4- What does arriving late mean for the Chinese people?
- 5- Quote the sentence which indicates to the time of Mr. Ghanem's first visit to China.

**TEXT TWO: (10 marks)**

The King Hussein Cancer Center is Jordan's only comprehensive cancer treatment center. It treats both adult and pediatric patients. As the population of the country increases, more and more families will rely on the hospital for cancer treatment. Patients come not only from Jordan but also from other countries in the region, as they are attracted by its excellent reputation, lower costs, and cultural and language similarities. In order to cope with the increase in demand for treatment, has begun an expansion program. Building started in 2011 CE . The hospital will have more than doubled its capacity by 2016 CE, increasing space for new cancer cases from 3,500 per year to 9,000.

- 1- Why does the hospital need to expand?
- 2- Give three reasons why patients from other countries visit the center.
- 3- Mention the number of cancer patients that the KHCC will treat at the end of the expansion program.
- 4- Find a word in the text that means (deal successfully with).
- 5- Cancer patients have a great fear and a bad psychological factor, so there are many ways to solve these problems such as listening to music. Suggest three possible ways to solve these problems.
